WEDDING & EVENTS VENUE

ELOPEMENT PACKAGES

Hidden within a majestic forest, between the trees and wildflowers, Onder Engele Venue is a perfect combination of charm and natural beauty. A rare and beautiful gem nestled in the heart of the bushveldt. The grand Victorian-inspired chapel boasts intricate lush gardens that sweep across vast green lawns, towering treetops, and pure white rose blossoms that invite wild birds and butterflies. The venue whisks you away to a secret place where anything is possible. Onder Engele Venue creates an elegant yet sophisticated setting for any wedding or bespoke event.

LOVE, LIFE & LEGACY: OUR STORY IN WORDS AND MOMENTS

Onder Engele was born from the idea of a loving mother and father, who had a dream and a burning desire to share a beautiful paradise with as many people as they could.

As a result of the magnitude of blessings that this family received, and the handcrafting skills of a very talented mother, who hand - crafted every single statue and sculpture within the venue the name Onder Engele "Under Angels" was born.

The venue's three - cross layout can clearly be seen from an aerial view, With the foot of each cross ending at one of our 3 chapels.

The main European - style cathedral lies at the foot of the upright cross with many more surprises within its walls, The European cathedral offers much more than what the eye can see...

Whilst the foundation was laid, the family gathered around the area that is now the Onder Engele cathedral and placed rose quartz on the ground followed by a prayer, giving thanks for all the grace - filled blessings and asking for his guidance, protection and endless love to all who enters the cathedral.
